

A Celebration of EP Voices: Sponsorship Opportunities

Threshold Residential Services (TRS) is dedicated to providing individuals with developmental disabilities opportunities for personal growth, independence, and overall improved quality of life. We are a mission-driven organization focused on eliminating barriers to care and independence for our clients, and cultivating a supportive and inclusive community for underestimated individuals.

In light of the train derailment that occurred in East Palestine on February 3, 2023, Threshold's desire to continue helping the community has never been greater. This is why we are planning to host a Celebration of EP Voices on June 8, 2023. Our goal through this event is to provide the community with a fun night to celebrate the overcoming of the tragedy of the train derailment and show the nation that East Palestine is still fighting to elevate every voice in the community.

Proceeds from this event will support day programs and services for community members with developmental disabilities. We're hoping to fully fund this event with donations from our surrounding community businesses to allow East Palestine community members a night to celebrate.

Please contact Chris at cpage@threshold75.com with sponsorship inquiries or questions.
